

Manufacturing Execution Systems Course Curriculum Map

			I.T. Specialist	Operator	Process / Production Engineer	R&D Engineer	Operations Manager / Supervisor	Application Support	Yield Accountant
Beginner	MES101 5 Days	Introduction to Aspen InfoPlus.21	●					●	
	MES121 3 Days	Using and Configuring aspenONE Process Explorer		●	●	●	●	●	
	MES122 1 Day	Using Aspen Process Explorer		●	●	●	●	●	
	MES123 2 Days	Aspen Calc: Using and Configuring			●			●	
	MES151 3 Days	Introduction to Aspen Operations Reconciliation and Accounting						●	●
	MES171 1 Day	Retrieving Batch Data using Aspen Production Record Manager Tools		●	●	●	●	●	
	MES1200 3 Days	Calculation and Data Analysis for Engineers			●	●			
Intermediate / Advanced	MES201 5 Days	Aspen SQLPlus for Aspen InfoPlus.21: Using and Configuring for Power Users						●	
	MES205 2 Days	Aspen InfoPlus.21 - System Administration	●					●	
	MES235 2 Days	Aspen Real-Time SPC: Using and Configuring in aspenONE Process Explorer			●	●		●	
	MES261 3 Days	Aspen Production Execution Manager: Programming Concepts						●	
	MES271 2 Days	Aspen Production Record Manager: Configuring the Batch Area and Feed Application						●	
	MES311 5 Days	Aspen InfoPlus.21: Applications Development						●
